

2020 MASSBAD HIGH SCHOOL TEAM BADMINTON CHAMPIONSHIPS

Sunday, March 1, 2020

Boston Badminton, 169 Flanders Rd., Westborough, MA

Eligibility: All High Schools in New England. Each High School may invite up to 2 eighth graders from the same school district. High School teams that do not have enough players to form a team may pair up with another High School provided that at least at least 3 team players come from each school and that each school is represented in at least 4 of the 9 matches in each tie. All participants must register for Massbad membership (\$3 for juniors, http://www.massbad.org/web/junior_membership).

Tournament Format: If there are 8 or more participating teams, the tournament shall have two divisions (1 and 2), with stronger teams in Division 1. Within each Division, competition shall be either round robin or pool play (round robin followed by playoffs) depending on the actual number of participating teams. The Tournament Directors reserve the right to move teams between Divisions for compelling reasons.

Each team will be guaranteed three 'ties' (team meets), each tie consisting of 9 matches: 2 Boys Singles, 1 Girls Singles, 2 Boys Doubles, 1 Girls Doubles, 3 Mixed Doubles. All matches will be the best of three 21-point games using rally-point scoring. All nine matches in a round robin tie will be played even if the team winner has already been established. Final standings of teams in the round robin will follow BWF General Competition Regulations (Part III-Section 1A,16.3) and be based on the number of ties won by each. If two teams have the same record, their relative positions will be decided by the result between those two teams ('Head-to-head'). If three teams have the same record, positions will be determined by the difference between total matches won and total matches lost, with the greater difference ranked higher.

Within each tie, players are limited to a maximum of 2 matches, only one of which can be singles. A player may play two doubles matches, but only with different partners. Thus, a minimum of five boys and three girls is needed for a team to play all nine matches of each tie. A team of seven boys and five girls is recommended; there is no restriction on the maximum number of players.

Each team must submit a Team Roster with players listed in order of strength, with the strongest player ranked #1. Rosters will be posted for teams to review and appeals regarding ranking should be filed prior to the start of the tournament. Appeals will be allowed during the

tournament but only if lodged by the opposing Team Captain *prior* to the start of their tie. Final rosters must be submitted **no later than Sunday, February 23, 2020.**

Before each tie commences, team captains must each complete a Match Record Sheet detailing which players will be playing which matches in that tie for their team; they must be listed properly in order of their strength as shown on the roster. For example, of the two boys selected to play the Boys Singles matches, the stronger player must play the 1st Boys Singles match and the weaker player must play the 2nd Boys Singles match. 'Notional Ranking' will be used to establish strength of doubles pairs and is calculated by adding the rankings of the two players in the pair. Doubles pairs must play in order of their 'Notional Rankings'. Walkovers due to the lack of players will be considered as the weakest players.

Seeding/Draws/Rules: Team seeding will be based on results of the 2019 tournament and individual USAB ranking of team members, if available. An open draw will be conducted on Feb 26.

All matches will be the best of three 21-point games using the rally point scoring system under the laws of USA Badminton. If needed, a 10-minute default time shall be enforced.

Registration: Entry, payment and waivers should be received by **February 10, 2020**. Send entries to:
